[C]They say [G]this town the [F]stars stay up all night
[C]Don't know, [G]can't see 'em for [F]the glow of the neon lights
And it's a [C]long way [G]from here [F]to the place where the home fires burn
Well, it's [C]two thousand [G]miles and one left [F]turn

[C]Dear Mom and Dad, [G]please send money,
[F]I'm so broke that [G]it ain't funny.
I [C]don't need much just [G]enough to get me [F]through.[G]
[C]Please don't worry cause [G]I'm alright
See I'm [F]playing here at the [G]bar tonight.
[Am]This time I'm gonna [G]make our dreams [F]come true
Well I [Dm]love you more than anything in the [F]world.
[G]Love, your baby [C]girl [G][F][G]

[C]Black top, [G]blue sky [F]big town full of little white lies
[C]Everybody's your [G]friend, you can never be [F]sure
They promise [C]fancy cars and [G]diamond rings
[F]All sorts of shiny things
[C]Girl, you'll re-[G]member what your knees are [F]for[G]

[C]Dear Mom and Dad, [G]please send money,
[F]I'm so broke that [G]it ain't funny.
I [C]don't need much just [G]enough to get me [F]through.[G]
[C]Please don't worry cause [G]I'm alright
See I'm [F]playing here at the [G]bar tonight.
[Am]This time I'm gonna [G]make our dreams [F]come true
Well I [Dm]love you more than anything in the [F]world.
[G]Love, your baby [C]girl [G][F][G]

[C]I know [F]that I'm [C]on my [G]way
Well I can [F]tell every [C]time I [G]play
And I know it's [F]worth all the [C]dues I [G]pay
When I can [Dm]write to [G]you and [F]say

[C]Dear Mom and Dad, [G]I'll send money,
[F] I'm so rich that [G] it ain't funny.
It [C]oughta be more than [G]enough to get you [F]through.[G]
[C]Please don't worry cause [G]I'm alright
See I'm [F]staying here at the [G]Ritz tonight.
[Am]What do you know we [G] made our dreams come [F]true[G]

And there are [C]fancy cars and [G]diamond rings
But you [F]know that they don't [G]mean a thing
They [Am]all add up to [G]nothing compared [F]to you
Well, [Dm]remember me in ribbons and [F]curls
I still [Dm]love you more than anything in the [F]world.
[G]Love, your baby [C]girl [G][F][G][C]↓
