C/D/G

[G]Just yesterday [Am]morning, they let me [C]know you were [G]gone
[G]Suzanne, the [Am]plans they made put an [C]end to you
[G]I walked out this [Am]morning and I [C]wrote down this [G]song
[G]I just can't [Am]remember who to [C]send it to

Chorus:

[C]I've seen [D]fire and I've seen [G]rain.
I've seen [C]sunny days that I [D]thought would never [G]end
I've seen [C]lonely times when I [D]could not find a [G]friend,
But [C]I always thought that I'd see you [G]again

[G]Won't you look down upon me, [Am]Jesus,
You've got to [C]help me make a [G]stand
[G]You've just got to [Am]see me through [C]another day
[G]My body's [Am]aching and my [C]time is at [G]hand
[G]Just won't [Am]make it any [C]other way

Chorus:

[C]I've seen [D]fire and I've seen [G]rain.
I've seen [C]sunny days that I [D]thought would never [G]end
I've seen [C]lonely times when I [D]could not find a [G]friend,
But [C]I always thought that I'd see you [G]again

[G]Been walking my mind to an [Am]easy time,
My [C]back turned towards the [G]sun
[G]Lord knows when the [Am]cold wind blows it'll [C]turn your head around
Well, there's [G]hours of time on the [Am]telephone line
[C]Talkin' about things to [G]come
[G]Sweet dreams and [Am]flying machines in [C]pieces on the ground

Chorus:

[C]I've seen [D]fire and I've seen [G]rain.
I've seen [C]sunny days that I [D]thought would never [G]end
I've seen [C]lonely times when I [D]could not find a [G]friend,
But [C]I always thought that I'd see you [G]again
