

# HARRISBURG- BY JOSH RITTER

STRUM: ↓↓↑↑↓↓↑

INTRO: /1, 2, 3, 4/ /[Am]/[F]/[C]/[G]/[Am]/[Am]/

[Am]Romero got married on the [F]fifth of [C]July  
In our Lady of Immaculate [G]Dawn  
[Am]Could have got married in the [F]revival man's [C]tent  
But there ain't no [G]reviving what's [Am]gone  
They slipped like a shadow from the [F]family he [C]made  
In a little white house by the [G]woods  
Dropped the [Am]kids at the mission, with a [F]rose for the [C]virgin  
She knew he was [G]gone for [Am]good

## Chorus:

It's a [C]long way to Heaven  
It's [G]closer to Harrisburg  
[F]And that's still a long way from the [C]place where we [G]are  
And if [Am]evil exists its a [F]pair of train [C]tracks  
And the devil is a [G]railroad [Am]car

[Am]Could have stayed somewhere but the [F]train tracks kept [C]going  
And it seems like they always left [G]soon  
And the [Am]wolves that he ran with they [F]moaned low and [C]painful  
Sang sad miserer-[G]es to the [Am]moon

## Chorus:

It's a [C]long way to Heaven  
It's [G]closer to Harrisburg  
[F]And that's still a long way from the [C]place where we [G]are  
And if [Am]evil exists its a [F]pair of train [C]tracks  
And the devil is a [G]railroad [Am]car

The [Am]rose at the altar [F]withered and [C]wilted  
Romero sank into a [G]dream  
[Am]He didn't make Heaven  
[F]He didn't make [C]Harrisburg  
He died in a [G]hole in [Am]between  
So some say that man is the [F]root of all [C]evil  
Others say God's a drunkard for [G]pain  
Well [Am]me I believe that the [F]Garden of [C]Eden  
Was burned to [G]make way for a [Am]train, for a train

## Chorus:

It's a [C]long way to Heaven  
It's [G]closer to Harrisburg  
[F]And that's still a long way from the [C]place where we [G]are  
And if [Am]evil exists its a [F]pair of train [C]tracks  
And the devil is a [G]railroad [Am]car
