She [E♭] asked me where I was [A♭] from
I said "Some [B♭] where you never [E♭] been to"
Little [Cm] town outside of [A♭] Knoxville
Hidden [B♭] by some dogwood trees
She tried [E♭] talkin' with my [A♭] accent
We held [B♭] hands and waded in [E♭] to
That blue [Cm] water
She left her [A♭] flip-flops by my [B♭] Red Wings on the [E♭] beach

Yeah, but [E♭] now I'm dodging potholes in my sun [A♭] burnt Silver [E♭] ado
Like a [A♭] heart-broke Desper [E♭] ado, headed [B♭] right back to my roots
Somethin' [E♭] bout the way she kissed me tells me [A♭] she'd love Eastern [E♭] Tennessee
Yeah, but [A♭] all I brought back [E♭] with me was some [B♭] sand in my [E♭] boots

I said " [E♭] Let's go shoot [A♭] tequila"
So we [B♭] walked back to that [E♭] beach bar
She said "[Cm] Don't cowboy's drink [A♭] whiskey?" huh
So [B♭] we drank bottom shelf
She said "[E♭] Damn, that sky looks [A♭] perfect"
I said, "[B♭] Girl you've never [E♭] seen stars [B♭] like the [Cm7] ones back home"
And she [A♭] said "Maybe I should [B♭] see them for my [E♭] self"

Yeah, but [E♭] now I'm dodging potholes in my sun [A♭] burnt Silver [E♭] ado
Like a [A♭] heart-broke Desper [E♭] ado, headed [B♭] right back to my roots
