Oh, they [C] built the ship [C7]Titanic to [F] sail the ocean blue

It was [C] on its maiden [C7] trip when an [F] iceberg hit the [C] ship
It was [C] sad when the [G7] great ship went [C] down [C]

It was [C] sad when the [D7]great ship went [G7] down (*to the bottom of the...*)
[C] Husbands and [C7] wives, little [F] children lost their [D7] lives
It was [C] sad when the [G7] great ship went [C] down [C]

They were [C] not far from [C7]England
They [F] were not far from [C] shore
When the [C] rich refused to [D7]associate with the [G7] poor
So they [C] put them down be-[C7]low where they'd [F] be the first to [C] go
It was [C] sad when the [G7] great ship went [C] down [C]

It was [F] sad (*so sad*), it was [C] sad (*too bad*)
It was [C] sad when the great ship went [G7] down (*to the bottom of the...*)
[C] Uncles and [C7] aunts, little [F] children wet their [D7] pants
It was [C] sad when the [G7] great ship went [C] down [C]

Oh, they [C] threw the lifeboats [C7]out
On the [F] dark and dreary [C] sea
And the [C] band struck up with, [D7] "Nearer my God to [G7] Thee"
Oh the [C] children wept and [C7] cried as the [F]waves swept over the [C]side
It was [C] sad when the [G7] great ship went [C] down [C]

CHORUS:

It was [F] sad (*so sad*), it was [C] sad (*too bad*)
It was [C] sad when the great ship went [G7] down (*to the bottom of the...*)
[C] Grandmas and [C7] grandpas, little [F] children lost their [D7]pajamas
