[Dsus2] / [Dsus2] / [Am] / [Am] / [C] / [G] / [Dsus2] / [Dsus2] /

The [Dsus2] legend lives on from the [Am] Chippewa on down
Of the [C] big lake they [G] called Gitche [Dsus2] Gumee [Dsus2]
The [Dsus2] lake, it is said, never [Am] gives up her dead
When the [C] skies of No-[G]vember turn [Dsus2] gloomy [Dsus2]

With a [Dsus2] load of iron ore twenty-six [Am] thousand tons more
Than the [C] Edmund Fitz-[G]gerald weighed [Dsus2] empty [Dsus2]
That [Dsus2] good ship and true, was a [Am] bone to be chewed
When the [C] gales of No-[G]vember came [Dsus2] early [Dsus2]

The [Dsus2] ship was the pride of the A-[Am]merican side
Comin' [C] back from some [G] mill in Wis-[Dsus2]consin [Dsus2]
As the [Dsus2] big freighters go, it was [Am] bigger than most
With a [C] crew and good [G] captain well-[Dsus2] seasoned [Dsus2]

Con-[Dsus2]cludin' some terms with a [Am] couple of steel firms
When they [C] left fully [G] loaded for [Dsus2] Cleveland [Dsus2]
And [Dsus2] later that night when the [Am] ship's bell rang
Could it [C] be the north [G] wind they'd been [Dsus2] feelin'? [Dsus2]

The [Dsus2] wind in the wires made a [Am] tattle-tale sound
When the [C] wave broke [G] over the [Dsus2] railin' [Dsus2]
And [Dsus2] every man knew, as the [Am] captain did too
'Twas the [C] witch of No-[G]vember come [Dsus2] stealin' [Dsus2]

The [Dsus2] dawn came late and the [Am] breakfast had to wait
When the [C] gales of No-[G]vember came [Dsus2] slashin' [Dsus2]
When [Dsus2] afternoon came it was [Am] freezin' rain
In the [C] face of a [G] hurricane [Dsus2] west wind [Dsus2]

When [Dsus2] suppertime came, the old [Am] cook came on deck sayin'
[C] "Fellas, it's [G] too rough to [Dsus2] feed ya" [Dsus2]
At [Dsus2] seven p.m. a main [Am] hatchway caved in, he said
[C] "Fellas, it's [G] been good to [Dsus2] know ya" [Dsus2]

The [Dsus2] captain wired in he had [Am] water comin' in
And the [C] good ship and [G] crew was in [Dsus2] peril [Dsus2]
And [Dsus2] later that night when his [Am] lights went out o' sight
Came the [C] wreck of the [G] Edmund Fitz-[Dsus2]gerald [Dsus2]

Does [Dsus2] anyone know where the [Am] love of God goes
When the [C] waves turn the [G] minutes to [Dsus2] hours? [Dsus2]
The [Dsus2] searchers all say they'd have [Am] made Whitefish Bay
If they'd [C] put fifteen [G] more miles be-[Dsus2] hind her [Dsus2]

They [Dsus2] might have split up or they [Am] might have capsized
They [C] may have broke [G] deep and took [Dsus2] water [Dsus2]
And [Dsus2] all that remains is the [Am] faces and the names
Of the [C] wives and the [G] sons and the [Dsus2] daughters [Dsus2]

/[Dsus2] / [Dsus2] / [Am] / [Am] / [C] / [G] / [Dsus2] / [Dsus2] /

[Dsus2] Lake Huron rolls, Su-[Am]perior sings
In the [C] rooms of her [G] ice-water [Dsus2] mansion [Dsus2]
Old [Dsus2] Michigan steams like a [Am] young man's dreams
The [C] islands and [G] bays are for [Dsus2] sportsmen [Dsus2]

And [Dsus2] farther below Lake On-[Am]tario
Takes [C] in what Lake [G] Erie can [Dsus2] send her [Dsus2]
And the [Dsus2] iron boats go as the [Am] mariners all know
With the [C] gales of No-[G]vember re-[Dsus2] membered [Dsus2]

In a [Dsus2] musty old hall in De-[Am]troit they prayed
In the [C] Maritime [G] Sailors' Ca-[Dsus2]thedral [Dsus2]
The [Dsus2] church bell chimed `til it rang [Am] twenty-nine times
For each [C] man on the [G] Edmund Fitz-[Dsus2] gerald [Dsus2]

The [Dsus2] legend lives on from the [Am] Chippewa on down
Of the [C] big lake they [G] call Gitche [Dsus2] Gumee [Dsus2]
Su-[Dsus2]perior, they said, never [Am] gives up her dead
When the [C] gales of No-[G]vember come [Dsus2] early [Dsus2]
