

# You're So Vain

Carly Simon (1972)

**INTRO: / 1 2 3 4 / [Em] / [Em]**

You **[Em]** walked into the party  
Like you were **[C]**walking onto a **[Em]** yacht  
Your hat stra-**[Em]** tegically dipped below one eye  
Your **[C]** scarf it was apri-**[Em]**cot  
You had **[C]** one eye **[D]** in the **[Bm]**mirror **[Em]** as  
You **[C]** watched yourself ga-**[G]**votte, and all the **[D]**girls dreamed that  
**[C]** They'd be your partner, they'd be your partner, and

**[G]** you're so vain  
You **[Am]** probably think this song is a-**[G]**bout you  
You're so **[Em]** vain  
I'll **[C]** bet you think this song is a-**[D]**bout you, don't you **[D]**don't you

Oh, you **[Em]** had me several years ago  
When **[C]** I was still quite na-**[Em]**ive  
When you **[Em]** said that we made such a pretty pair  
And **[C]** that you would never **[Em]** leave  
But you **[C]** gave a-**[D]**way the **[Bm]** things you **[Em]** loved  
And **[C]** one of them was **[G]** me, I had some **[D]** dreams  
They were **[C]** clouds in my coffee, clouds in my coffee, and

**[G]** You're so vain  
You **[Am]** probably think this song is a-**[G]**bout you  
You're so **[Em]** vain  
I'll **[C]** bet you think this song is a-**[D]**bout you, don't you **[D]** don't you

Well I **[Em]** hear you went up to Saratoga  
And **[C]** your horse naturally **[Em]** won  
Then you **[Em]** flew your Lear jet up to Nova Scotia  
To see the **[C]** total eclipse of the **[Em]** sun  
Well, you're **[C]** where you **[D]** should be **[Bm]** all the **[Em]** time  
And **[C]** when you're not, you're **[G]** with, some underworld **[D]** spy or the  
**[C]** Wife of a close friend, wife of a close friend, and

**[G]** You're so vain  
You **[Am]** probably think this song is a-**[G]**bout you  
You're so **[Em]** vain  
I'll **[C]** bet you think this song is a-**[D]** bout you, don't you  
**[D]** Don't you, don't you
